### Eligibility

**Peer Mentoring Responsibilities**

Peer mentors are expected to be available for as many of the following events and activities as possible:

- **Peer mentoring training:** This training will take up approximately 4-6 hours in fall semester. Dates/times to be decided, as it will be arranged around everyone’s class schedule.
- **Course/club/event presentations:** Making short presentations (10 min.) to UNIV 199 and UNIV 104 courses in the fall semester, the Undergraduate Research Club, and at other university courses or events where there exist clear opportunities for undergraduate research.
- **Moderation of presentations:** Act as moderators in any oral presentation sessions that may be scheduled for DAESA conferences, showcases, or symposiums.
- **Research skills short course:** Guide and instruct a group of students enrolled in this 1 credit course (UNIV 199). The course will be scheduled on two consecutive Saturdays early in spring semester.
- **Monthly mentoring appointments:** Spend 2-4 hours per month guiding and mentoring those who aspire to become engaged in undergraduate research. These appointments will occur over fall and spring semesters in person and online.
- **Attend monthly meetings:** Be prepared to respond to detailed agenda items that require Peer Mentor involvement.
• **Event tabling**: Help with tabling events and/or showcasing undergraduate research as needed.

**Confirmation of Eligibility** *

Please select which of the following criteria you meet that will fulfill your eligibility for serving as a peer mentor.

- [ ] I will be available for the events and activities described above.
- [ ] I have completed at least one semester/summer of part-time research with a faculty mentor.
- [ ] I am willing to help other students looking for ways to "get started" in research.
- [ ] I will join the Undergraduate Research Club and attend 3-4 of its meetings.
- [ ] I have experience presenting my research at a research venue such as SURCA.
